 Available: 5V 500 & 1500mA, 9V 1200mA,  
 12V 500, 1500 & 2500 mAmps  
 Color - Black                      Dimensions -Vary  
 Reversible straight / 90 degree output C+ 2.1mm plug  
 Working Temperature: - 40 to + 40 Celcius

**Inline**

**Specifications:**

12V DC - Constant Voltage  
 SAA / ERAC compliant and certified  
 Available in 5000 mAmp output  
 Supplied complete with input cable  
 Color - Black  
 Reversible straight / 90 degree output C+ 2.1mm plug  
 Working Temperature: - 40 to + 40 Celcius

**Caged**

**Specifications:**

12V DC - Constant Voltage  
 SAA / ERAC compliant and certified  
 Available in 12.5 Amp output  
 Color - Chrome vented cover  
 Must be used in a safe environment  
 Working Temperature: - 40 to + 40 Celcius

**Waterproof**

**Specifications:**

12V DC Output  
 SAA / ERAC compliant and certified  
 PFC>95%; precision +- 0.5V  
 Working temp : -50 to 70 Degrees C  
 Waterproof: IP 67  
 Dimensions:                      30W (2.5A)                      L150\*W44\*H32mm  
     60W (5.0A)                      L180\*W44\*H32mm  
     100W (8.3A)                      L205\*W68\*H38 mm  
     150W (12.5A)                      L220\*W68\*H38 mm  
     200W (16.7A)                      L240\*W70\*H40 mm  
 All supplied with Aust plug

**The bitterness of poor quality remains long after the sweetness of low price is forgotten.**
