SAA APPROVALS®

Wall Adapters

Specifications:

All are Constant Voltage

SAA / ERAC compliant and certified

Available: 5V 500 & 1500mA, 9V 1200mA,
              12V 500, 1500 & 2500 mAmps

Color - Black   Diamensions -Vary

Reversable straight / 90 degree output C+ 2.1mm plug

Working Temperature: - 40 to + 40 Celcuis
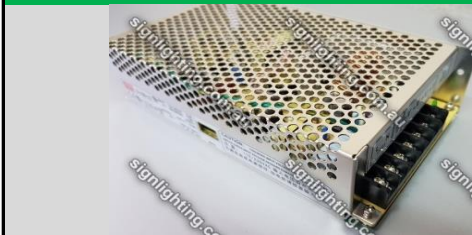

2 YEARS WARRANTY

Inline

Specifications:

12V DC - Constant Voltage

SAA / ERAC compliant and certified

Available in 5000 mAmp output

Supplied complete with input cable

Color - Black

Reversable straight / 90 degree output C+ 2.1mm plug

Working Temperature: - 40 to + 40 Celcuis

3 YEARS WARRANTY

Caged

Specifications:

12V DC - Constant Voltage

SAA / ERAC compliant and certified

Available in 12.5 Amp output

Color - Chrome vented cover

Must be used in a safe environment

Working Temperature: - 40 to + 40 Celcuis

3 YEARS WARRANTY

Waterproof

Specifications:

12V DC Output

SAA / ERAC compliant and certified

PFC>95%; precision +- 0.5V

Working temp : -50 to 70 Degrees C

Waterproof: IP 67

Diamensions:		
30W (2.5A)	L150*W44*H32mm
60W (5.0A)	L180*W44*H32mm
100W (8.3A)	L205*W68*H38 mm
150W (12.5A)	L220*W68*H38 mm
200W (16.7A)	L240*W70*H40 mm

All supplied with Aust plug

5 YEARS WARRANTY

The bitterness of poor quality remains long after the sweetness of low price is forgotten.
